

PROCESS OVERVIEW

The purpose of the Bow Valley SPCA Spay/Neuter Assistance Program (SNAP) is to provide subsidized assistance for spay/neuter surgeries at a reduced fee to qualified, low-income Bow Valley residents. To qualify, residents must meet the Town of Canmore Affordable Services Program guidelines.

If eligible, applicants can apply for the SNAP program through the following steps:

1. SNAP forms may be picked up during public hours at the BVSPCA Centre OR filled out online and emailed to our Adoption Centre Manager (daisy@bowvalleyspca.org) OR printed at home and returned to the BVSPCA Centre.
2. The applicant must complete the SNAP form for their pet(s).
3. The applicant must provide proof of income (T4, tax return, disability certificate, etc).

Note: *Our grant funds for this program are limited. This service may be temporarily unavailable when funding is not available.*

Once an application is approved:

1. The applicant must pay a subsidized fee of \$100 to \$175. Payment can be made via phone or in person at the BVSPCA Centre.
2. Once payment is received, the applicant will be provided with a voucher to a Canmore veterinary clinic covering the cost of the approved, routine spay/neuter procedure.
3. The authorization voucher is valid for 30 days after issue, and covers only a routine spay/neuter, standard post-op medication and an identification tattoo. A tattoo is mandatory and will be applied by the clinic during surgery.

Note: *Additional procedures (exam, vaccines, etc.) or surgical complications (pyometra, cryptorchid, etc.) are at the expense of the applicant. The SNAP program only covers the cost of a **routine** spay/neuter.*
