**All tours of BVSPCA are one hour in length and require \*waivers to be signed by each person. If the visitor is under the age of 18, a guardian or parent must sign the waivers.** Tour groups are 12-15 people per tour, so as not to stress animals and staff.

**Parking: Limited parking is offered in our parking lot with overflow parking available along the fence side of the driveway to the entrance.**

**\*Waivers must be signed for any child under the age of 18, by parent or guardian. This waiver provides contact information in case of emergency or injury while on BVSPCA premises. \*Media Release gives permission for BVSPCA to post pictures of child or person touring BVSPCA.**
